Our services

Economic-Substance.com is your specialist in everything related to economic substance. Coordinated out of Switzerland, it is highly specialised in advice with respect to substance requirements in Switzerland. We are also able to support you with issues relating to substance in a considerable number of other jurisdictions.

Our activities

- We can **advise** you with respect to the necessary level of economic substance for your corporate structure
- We can **organise** adequate substance (in Switzerland) for your international structure, and
- We can **review** your existing structure and assess the existing (lack of) substance.

We look forward to assisting you.
